

Employee Involvement Builds Commitment and Unlocks our Potential

Having someone like **Chris Selzler** leading our employees during the PM shift has benefited the company in many ways.

He is dedicated,
always looking to continuously improve,
has an unselfish attitude,
and leads by example.

Chris has foregone his breaks
to stay behind and fix wrapper problems
during Tender Fresh Pork runs.

He is also dedicated to seeing that
food safety issues are addressed properly.

Keep up your good work,
and continue making Vantage Foods
the happiest planet for meat business!
