

# *Employee Involvement Builds Commitment and Unlocks our Potential*

As the lead hand for pack-off,  
**Peter** is doing a good job keeping  
pack-off running as smooth as possible.

He helps with the scales, tote wash,  
gassers, fixes wrappers and labelers,  
checks on all the orders with shipping,  
and makes sure we do not have  
a three-day carryover.

Peter is an example of a responsible  
and dedicated employee.

Keep up the great work, Peter!
