

Quality is Everyone's Job 1!

Armida Balbin
Winnipeg Service Centre
December 2009

Armida was recently asked to assume additional duties to fill a short-term staff shortage in the QA lab.

Armida quickly rose to the challenge. She was quickly able to master new processes and procedures.

Her attention to detail and commitment to the process ensured that accurate information was available in a timely fashion.

Armida's product knowledge, commitment to quality, and positive attitude make her a definite asset to the Vantage Foods team.

Keep up the great work, Armida!
