

Quality is Everyone's Job 1!

Liberty Aquino

Winnipeg Service Centre
February 2010

Liberty has taken on the role of temporary lead hand for our packaging area.

In this role, she is developing her leadership skills, while maintaining her keen eye for quality.

Liberty has never been afraid to get quality issues corrected; going straight back to the root cause for immediate results.

Thank you for your commitment to quality, and keep up the good work!
